## Core Physicians

Core Physicians is a patient-centered, multi-specialty group practice that provides care to more than 57,000 local residents. We offer primary care and more than 20 specialty services for adults and children at 14 convenient locations throughout the Seacoast area.

## Exeter Hospital

As a 100-bed community hospital serving New Hampshire's Seacoast Region, Exeter Hospital's scope of care includes comprehensive services in breast health, birthing and reproductive medicine, cardiovascular, occupational and employee health, oncology, orthopaedics and emergency care.

## Rockingham VNA & Hospice

Rockingham Visiting Nurse Association and Hospice (RVNA & Hospice) is a community based home health and hospice agency that provides high quality home care, hospice and community outreach programs within Rockingham County and the surrounding towns of Barrington, Lee and Durham.

## National Recognition

Exeter Hospital was designated as a Magnet® hospital by the American Nurses Credentialing Center (ANCC), placing Exeter among the top 7% of hospitals nationwide. The Magnet program recognizes health care organizations for quality patient care, nursing excellence and innovations in professional nursing practice.

Core Physicians has received the NCQA Patient-Centered Medical Home (PCMH) Recognition in all primary care practices for using evidence-based, patient-centered processes that focus on highly coordinated care and long-term, participative relationships.

For ten consecutive years, Exeter Health Resources has been named one of the nation's "Most Wired" health care organizations for its use of information technology.
